President's Message

Greetings,

I hope this first issue finds all of you and your families safe and healthy. The newsletters will be dedicated to events, club news and showcasing the beautiful cars of our members. The pictures and descriptions shown in this issue come directly from our members and prospects. If you would like to see your car on our website and featured in the newsletter, just follow the simple instructions on page 3. You can also send your photo(s) to me. I will make every effort to assist you. It would be great to see all of our members photos and cars! We will keep you posted on events and meeting dates via website and Facebook. In the meantime, I encourage you to all get on messenger to stay in touch. Also, our website and group Facebook and IG page are good places to communicate with your fellow Relentless members and share photos.

Membership Meetings are on the first Wednesdays and third Saturdays of each month. We will keep you posted on the locations. The Relentless Newsletter will be published on our website only. Hopefully after the hot summer we will be able to schedule a social event in the upcoming cooler months. Wishing you all good health and happy cruising'!

Travis Tettelem, President

The Relentless Muscle Facebook and Instagram page is a public page and open to everyone. It does not require you to have an open Facebook account. We currently have over 100 followers and would like to have all of you join us. Please contact Dustie McPherson and he will walk you through the set up.

New Web Updates!

Two new pages have been added to the RELENTLESS website.

On the Club photos page once opened you are required to click on a thumbnail picture to view a larger picture and description. The gallery needs more photos but, has quite a few of each member that's submitted their pictures.

You can now enjoy the beautiful cars in our club and a full description by visiting the Relentless website at <https://www.relentlesscarclub.com> The new feature on the home page can be found by placing your cursor on the large pictures of our great looking Relentless Members. This function was created to scroll through individual photos of different members rides.

Send Travis Tettleton, the Website Administrator, a picture and description of any cars you would like added. He welcomes corrections to any of the existing wording for cars already added. There is no limit on the number of cars each Member can display and no limit on the descriptive words.

The second new item is on the Bylaws page, you can now download a membership application by clicking on the PDF icon at the top to the right. You can fill it out then print the form and bring with you to one of our meetings.

Send Travis a picture of your vehicle if your picture is missing or if you want it replaced. His email is travistettleton@gmail.com
